

Floodsafe Listserve

A Listserve is an email list where anyone who signs up can send a message to other people on this list.

This Listserve is intended for people working to adapt or relocate existing buildings to reduce risk of damage from flooding.

Municipal and state employees cannot recommend specific contractors and so on, but individuals can offer their findings and experiences.

Let's share our questions and suggestions!

To subscribe to the Listserve:

Send an email (with no subject) to: listserv@list.uvm.edu

In the body of the message add:
subscribe FLOODSAFE My Name
(use *your name!*)

To send a message:

Once you are subscribed you can post to the list at: FLOODSAFE@LIST.UVM.EDU

To unsubscribe:

Send an email (with no subject) to: listserv@list.uvm.edu

In the body of the message add:
SIGNOFF FLOODSAFE
